Price of Offer Shares: The price per Offer Share is NOK 30.75.

The Offer Shares are being offered to the public in Norway subject to a lower limit per application of an amount of NOK 10,500, and an upper limit per application of an amount of NOK 1,999,999 for each investor. One or multiple applications from the same applicant in the Retail Offering with a total application amount in excess of NOK 1,999,999 will be adjusted downwards to an application amount of NOK 1,999,999.

Allocation, payment and delivery of Offer Shares: DNB Markets, a part of DNB Bank ASA ("**DNB Markets**"), acting as settlement agent for the Retail Offering, expects to issue notifications of allocation of Offer Shares in the Retail Offering on or about 25 November 2021, by issuing allocation notes to the applicants by e-mail or otherwise. The allocations will be made in accordance with the procedure set out in the Prospectus. Any applicant wishing to know the precise number of Offer Shares allocated to it may contact one of the application offices listed above from 10:00 am CET on 25 November 2021 during business hours. Applicants who have access to investor services through an institution that operates the applicant's account with the VPS for the registration of holdings of securities ("**VPS account**") should be able to see how many Offer Shares they have been allocated from on or about 25 November 2021. Applicants who have applied for Offer Shares through Nordnet should be able to see how many Offer Shares they have been allocated at their account in Nordnet on or about 25 November 2021. In registering an application through the VPS online application system or by completing a Retail Application Form, each applicant in the Retail Offering will grant DNB Markets (on behalf of the Managers) an irrevocable authorisation to debit the applicant's Norwegian bank account for the total amount due for the Offer Shares allocated to the applicant. The applicant's bank account number must be stipulated on the VPS online application or on the Retail Application Form. Accounts will be debited on or about 26 November 2021 (the "**Payment Date**"), and there must be sufficient funds in the stated bank account from and including 25 November 2021. Applicants who do not have a Norwegian bank account must ensure that payment for the allocated Offer Shares is made on or before the Payment Date. To ensure that they do not lose their right to any allotment, applicants in the Retail Offering applying for Offer Shares through Nordnet must have sufficient funds available in their account from 23:59 hours (CET) from 23 November 2021 until the Payment Date. Further details and instructions will be set out in the allocation notes to the applicant to be issued on or about 25 November 2021, or can be obtained by contacting Nordnet or one of the Managers (depending on where the application was made). DNB Markets (on behalf of the Managers) reserves the right (but has no obligation) to make up to three debit attempts through 6 December 2021 if there are insufficient funds on the account on the Payment Date. Should any applicant have insufficient funds on its account, or should payment be delayed for any reason, or if it is not possible to debit the account, overdue interest will accrue and other terms will apply as set out under the heading "Overdue and missing payment" below and the Prospectus. Subject to timely payment by the applicant, delivery of the Offer Shares allocated in the Retail Offering is expected to take place on or about 29 November 2021 (or such later date upon the successful debit of the relevant account).

GUIDELINES FOR THE APPLICANT
THIS RETAIL APPLICATION FORM IS NOT FOR DISTRIBUTION OR RELEASE, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA (INCLUDING ITS TERRITORIES AND POSSESSIONS, ANY STATE OF THE UNITED STATES OF AMERICA AND THE DISTRICT OF COLUMBIA), AUSTRALIA, CANADA, THE HONG KONG SPECIAL ADMINISTRATIVE REGION OF THE PEOPLE'S REPUBLIC OF CHINA OR JAPAN, OR ANY OTHER JURISDICTION IN WHICH THE DISTRIBUTION OR RELEASE WOULD BE UNLAWFUL. OTHER RESTRICTIONS ARE APPLICABLE. PLEASE SEE "SELLING RESTRICTIONS" BELOW.
<p>Regulatory issues: Legislation passed throughout the European Economic Area (the "EEA") pursuant to Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments ("MiFID II") implemented in the Norwegian Securities Trading Act, imposes requirements on intermediaries in securities markets. In this respect, the Managers must categorise all new clients in one of three categories: Eligible counterparties, Professional clients and Non-professional clients. All applicants applying for Offer Shares in the Offering who/which are not existing clients of one of the Managers will be categorised as Non-professional clients. The applicant can by written request to the Managers ask to be categorised as a Professional client if the applicant fulfils the provisions of the Norwegian Securities Trading Act and ancillary regulations. For further information about the categorisation, the applicant may contact one of the Managers. The applicant represents that it has sufficient knowledge, sophistication and experience in financial and business matters to be capable of evaluating the merits and risks of an investment decision to invest in the Company by applying for Offer Shares, and the applicant is able to bear the economic risk, and to withstand a complete loss of an investment in the Company.</p> <p>Notwithstanding the Target Market Assessment, distributors should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. Each distributor is responsible for undertaking its own Target Market Assessment in respect of the Shares and determining appropriate distribution channels.</p> <p>The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Managers will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares.</p>
<p>Execution only: As the Managers are not in the position to determine whether the application for Offer Shares is suitable for the applicant, the Managers will treat the application as an execution only instruction from the applicant to apply for Offer Shares in the Offering. Hence, the applicant will not benefit from the corresponding protection of the relevant conduct of business rules in accordance with the Norwegian Securities Trading Act.</p>
<p>Information Exchange: The applicant acknowledges that, under the Norwegian Securities Trading Act and the Norwegian Financial Undertakings Act and foreign legislation applicable to the Managers there is a duty of secrecy between the different units of the Managers as well as between the Managers and the other entities in the Managers' respective groups. This may entail that other employees of the Managers or the Managers' respective groups may have information that may be relevant to the subscriber, but which the Manager will not have access to in their capacity as Managers for the Retail Offering.</p>
<p>Information barriers: The Managers are securities firms offering a broad range of investment services. In order to ensure that assignments undertaken in the Managers' corporate finance departments are kept confidential, the Managers' other activities, including analysis and stock broking, are separated from their corporate finance departments by information barriers known as "Chinese walls". The applicant acknowledges that the Managers' analysis and stock broking activity may act in conflict with the applicant's interests with regard to transactions in the Offer Shares as a consequence of such Chinese walls.</p>
<p>VPS account and anti-money laundering procedures: The Retail Offering is subject to applicable anti-money laundering legislation, including the Norwegian Money Laundering Act of 1 June 2018 no. 23 and the Norwegian Money Laundering Regulation of 14 September 2018 no. 1324 (collectively, the "Anti-Money Laundering Legislation"). Applicants who are not registered as existing customers of one of the Managers must verify their identity to one of the Managers in accordance with requirements of the Anti-Money Laundering Legislation, unless an exemption is available. Applicants who have not completed the required verification of identity prior to the expiry of the Application Period will not be allocated Offer Shares. Participation in the Retail Offering is conditional upon the applicant holding a VPS account. The VPS account number must be stated in the Retail Application Form. VPS accounts can be established with authorised VPS registrars, which can be Norwegian banks, authorised investment firms in Norway and Norwegian branches of credit institutions established within the EEA. Establishment of a VPS account requires verification of identity to the VPS registrar in accordance with the Anti-Money Laundering Legislation. However, non-Norwegian investors may use nominee VPS accounts registered in the name of a nominee. The nominee must be authorised by the Norwegian Ministry of Finance.</p>
<p>Selling restrictions: The Offering is subject to specific legal or regulatory restrictions in certain jurisdictions, see Section 18 "Selling and Transfer Restrictions" in the Prospectus. The Company does not assume any responsibility in the event there is a violation by any person of such restrictions. The Offer Shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or under any securities laws of any state or other jurisdiction of the United States and may not be taken up, offered, sold, resold, transferred, delivered or distributed, directly or indirectly, within, into or from the United States except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in compliance with the securities laws of any state or other jurisdiction of the United States. There will be no public offer in the United States. The Offer Shares will, and may, not be offered, sold, resold, transferred, delivered or distributed, directly or indirectly, within, into or from any jurisdiction where the offer or sale of the Offer Shares is not permitted, or to, or for the account or benefit of, any person with a registered address in, or who is resident or ordinarily resident in, or a citizen of, any jurisdiction where the offer or sale is not permitted, except pursuant to an applicable exemption. In the Retail Offering, the Offer Shares are being offered and sold to certain persons outside the United States in offshore transactions within the meaning of and in compliance with Rule 903 of Regulation S under the U.S. Securities Act.</p>
<p>The Company has not authorised any offer to the public of its securities in any member state of the EEA other than Norway. With respect to each member state of the EEA other than Norway (a "Member State"), no action has been undertaken or will be undertaken to make an offer to the public of the Offer Shares requiring a publication of a prospectus in any Member State. Any offers outside Norway will only be made in circumstances where there is no obligation to produce a prospectus.</p>
<p>Stabilization: In connection with the Offering, ABG Sundal Collier ASA, as the "Stabilisation Manager", or its agents, on behalf of the Managers, may, upon exercise of the Over-Allotment Facility and Lending Option, from the first day of the Listing engage in transactions that stabilize, maintain or otherwise affect the price of the Shares for up to 30 days from the first day of the Listing. Specifically, the Stabilisation Manager may effect transactions with a view to supporting the market price of the Shares at a level higher than might otherwise prevail, through buying Shares in the open market at prices equal to or lower than the Offer Price. There is no obligation on the Stabilisation Manager and its agents to conduct stabilisation activities and there is no assurance that stabilization activities will be undertaken. Such stabilisation activities, if commenced, may be discontinued at any time, and will be brought to an end at the latest 30 calendar days after the first day of the Listing.</p>
<p>Personal data: The applicant confirms that it has been provided with information regarding the Managers' processing of personal data, and that it has been informed that the Managers will process the applicant's personal data in order to manage and carry out the Offering and the application from the applicant, and to comply with statutory requirements.</p> <p>The data controllers who are responsible for the processing of personal data are the Managers. The processing of personal data is necessary in order to fulfil the application and to meet legal obligations. The Norwegian Securities Trading Act and the Norwegian Money Laundering Act require that the Managers process and store information about clients and trades, and control and document activities. The applicant's data will be processed confidentially, but if it is necessary in relation to the aforementioned purposes or obligations, the personal data may be shared between the Managers, with the company(ies) participating in the Offering, with companies within the Managers' groups, VPS, stock exchanges and/or public authorities. The personal data will be processed as long as necessary for the purposes, and will subsequently be deleted unless there is a statutory duty to keep it.</p> <p>If the Managers transfer personal data to countries outside the EEA, that have not been approved by the EU Commission, the Managers will make sure the transfer takes place in accordance with the legal mechanisms protecting the personal data, for example the EU Standard Contractual Clauses.</p> <p>As a data subject, the applicants have several legal rights. This includes i.e. the right to access its personal data, and a right to request that incorrect information is corrected. In certain instances, the applicants will have the right to impose restrictions on the processing or demand that the information is deleted. The applicants may also complain to a supervisory authority if they find that the Managers' processing is in breach of the applicable laws. Supplementary information on processing of personal data and the applicants' rights can be found on the Managers' websites.</p>
<p>Investment decisions based on full Prospectus: Investors must neither accept any offer for, nor acquire any Offer Shares, on any other basis than on the complete Prospectus.</p>
<p>Terms and conditions for payment by direct debiting - securities trading: Payment by direct debiting is a service provided by cooperating banks in Norway. In the relationship between the payer and the payer's bank the following standard terms and conditions apply.</p>
<ol style="list-style-type: none"> 1. The service "Payment by direct debiting — securities trading" is supplemented by the account agreement between the payer and the payer's bank, in particular Section C of the account agreement, General terms and conditions for deposit and payment instructions. 2. Costs related to the use of "Payment by direct debiting — securities trading" appear from the bank's prevailing price list, account information and/or information is given by other appropriate manner. The bank will charge the indicated account for incurred costs. 3. The authorisation for direct debiting is signed by the payer and delivered to the beneficiary. The beneficiary will deliver the instructions to its bank who in turn will charge the payer's bank account. 4. In case of withdrawal of the authorisation for direct debiting the payer shall address this issue with the beneficiary. Pursuant to the Financial Contracts Act, the payer's bank shall assist if payer withdraws a payment instruction which has not been completed. Such withdrawal may be regarded as a breach of the agreement between the payer and the beneficiary. 5. The payer cannot authorise payment of an amount in excess of the funds available at the payer's account at the time of payment. The payer's bank will normally perform a verification of available funds prior to the account being charged. If the account has been charged with an amount higher than the funds available, the difference shall be covered by the payer immediately. 6. The payer's account will be charged on the indicated date of payment. If the date of payment has not been indicated in the authorisation for direct debiting, the account will be charged as soon as possible after the beneficiary has delivered the instructions to its bank. The charge will not, however, take place after the authorisation has expired as indicated above. Payment will normally be credited to the beneficiary's account between one and three working days after the indicated date of payment/delivery. 7. If the payer's account is wrongfully charged after direct debiting, the payer's right to repayment of the charged amount will be governed by the account agreement and the Financial Contracts Act.
<p>Overdue and missing payments: Overdue payments will be charged with interest at the applicable rate under the Norwegian Act on Interest on Overdue Payments of 17 December 1976 no. 100, which at the date of the Prospectus is 8% per annum. Should payment not be made when due, the Offer Shares allocated will not be delivered to the applicant, and the Managers reserve the right, at the risk and cost of the applicant, to cancel at any time thereafter the application and to re-allocate or, from the third day after the Payment Date, otherwise dispose of or assume ownership of the allocated Offer Shares, on such terms and in such manner as the Managers may decide (and the applicant will not be entitled to any profit therefrom). The original applicant will remain liable for payment of the Offer Price for the Offer Shares allocated to the applicant, together with any interest, costs, charges and expenses accrued, and the Company and/or the Managers may enforce payment of any such amount outstanding.</p>
<p>In order to provide for prompt registration of the New Shares with the Norwegian Register of Business Enterprises, and so that the Offer Shares may be delivered to applicants in the Retail Offering on a prompt basis following payment, DNB Markets, a part of DNB Bank ASA (on behalf of the Managers), is expected to subscribe and pay for the Offer Shares allotted in the Offering at a total subscription price equal to the Offer Price multiplied by the number of Offer Shares. See the Prospectus for further information and regulations.</p>
